

HOBIE DRAGON

HOBIE DRAGON

FRIENDS FUN REGATTA FUN FRIENDS

The essential objectives covered by this design are : minimum costs, maximise safety on board, and good performance potential and evolution. Symetric hulls with high volume and built-in keel, mainsail in Dacron with reef points, Dacron jib, mast float, and an ergonomic trampolin area .

After the Club, here is the Hobie Dragon Xtreme for the training of the Juniors future champions and for those who always want more.
