

# HOBIE CAT 16

## A WAY OF LIFE SHARING THE WIND WORLDS

It is the most famous sport catamaran world-wide (around 110 000 Hobie 16 are sailing all over the world). Its success is partly due to its concept which allows it to evolve from the Hobie Cat 16 Easy (loose-footed mainsail, simple rig) destined to beginners and sailing schools, to the Hobie Cat 16 LE (race equipment) with in between the Hobie Cat 16 Classic (standard rig). This is a real sport catamaran which will meet every expectations : leisure, cruising, regatta, long distance races with a genuine fantastic look due to its banana hull shapes !

Hobie Cat 16 White and LE are International ISAF recognised classes. European and World championships are organised regularly.

The Hobie Cat 16 Race Spi is the ISAF Youth boat (under 19), chosen to race the ISAF Youth sailing championships up until 2006. It has also been chosen by many Mnas for the Youth training programmes. Since 2004, the Hobie Cat 16 Race Spi has been adopted by the International Hobie Class Association for the youth events (under 21) such as the Hobie Cat Youth Challenge, the European Youth Championships and the World Youth championships.

### Specifications

- Length = 5,11 m
